

# Drum / Pail Warmer

BriskHeat's Drum / Pail Warmer is a great solution to prevent drum and pail contents from freezing. The warmer helps maintain elevated temperatures, enabling contents to flow even when ambient temperatures drop as low as 0°F. The built-in thermostat keeps the materials in the drum warm between 67° to 85°F.

BriskHeat Corporation has been producing high quality and industrial grade drum and pail warmers for the past 64 years, providing users with unmatched durability and reliability.

## Features:

- Portable plug-and-play design
- Can be used on metal or plastic drums and pails
- Suitable for both outdoor and indoor uses
- Moisture and chemical resistant
- Effective in ambient temperature as low as 0°F
- Extra-wide 4" heater coverage with stretchable spring fastener
- Available in variety of sizes: 5, 15, 30 and 55 gallons

## Specifications:

- Voltage: 120VAC
- Thermostat: Built-in, self-regulates between 67° (+/-9°F) to 85°F (+/-5°F)
- Power cord: 6-foot power cord with standard 3-prong wall plug
- Grounded for safety: Patented 360° grounded heating element
- Watt density: 4 watts/sq in

## Common Uses:

- Freeze Protection
- Warming contents of drums and pails
- Preventing Chemical Separation or Crystallization
- Keeping paint warm

## Industrial Grade:

Rugged construction for unsurpassed durability

**1** Year  
Warranty

Made in USA

Since 1949

Made of silicone rubber:  
Resists moisture & chemicals

Stretchable spring fastener:  
Easy to install

Built-in thermostat:  
Regulates heater between 67° to 85°F

6-foot power cord with  
standard 3-prong wall plug

## Standard Sizes

Drum / Pail Size (Gallons)	Drum / Pail Diameter (in.)	Warmer Length (in.)	Warmer Width (in.)	Wattage
5	11.1	35.0	4	550
15	14.0	44.0	4	700
30	18.6	58.5	4	1000
55	22.3	70.0	4	1200

Pail / Drum Warmer	Part Number	UPC Codes
5-Gallon Warmer	DHCS10R	696859236600
15-Gallon Warmer	DHCS11R	696859236594
30-Gallon Warmer	DHCS13R	696859236587
55-Gallon Warmer	DHCS15R	696859236570
